Real Solutions For Nevada Homeowners That Are Facing Foreclosure

Reno, NV – September 25, 2009 - JNR Associates is the first licensed and bonded home loan modification specialists with the Mortgage Lending Division in the state of Nevada (lic. #FS1375254 / #BUIFSU0509623). JNR Associates has educated itself on the “Home Affordability and Stability Plan” by the Obama Administration and has access to all lenders in order to assist with modification negotiations. JNR Associates goal is to help the homeowner get through the modification process as quickly and effectively as possible, preserving their American dream.

About JnR Associates - With over 20 years of mortgage industry experience, JNR Associates will develop and implement effective strategies to negotiate with homeowners lenders. They will collect information, analyze and implement game plans based on the homeowner’s current financial status and any hardships that can be shown. Services include loan modification and forensic loan analysis. For more information please visit www.jnrassociates.com or call (775) 657-9222.
